**Safety Tips**

Costumes should be short enough  
so you don't trip and fall.  
Costume parts should be made  
from soft material.

Use face paint or makeup  
instead of a mask.  
Masks make it hard for you to  
see where you're going.

Always be aware of what's going  
on around you.

Watch out for cars. Remember that it may be hard for drivers to see you. Walk - never run.

Trick or treat in your own neighbourhood. Never take shortcuts through backyards, alleys or parks.

Always trick or treat with a parent or trusted adult.

Trick or treating in a group can  
be lots of fun - NEVER GO  
ALONE!

NEVER go into anyone's house or car, no matter how well you know the person, unless you have permission from a parent or the person looking after you.

Stay away from lit pumpkins.

NEVER eat any candy until they are checked by your mom, dad or the person looking after you.
